Roof Mount with Microinverters

Go solar with our custom DIY grid tie solar kit. 15.84kw with Silfab solar panels, APSystems microinverters and IronRidge roof mount rack.

15kw solar panel system for sale

15Kw Solar System What Is A 15Kw Solar Kit 15Kw Solar System Cost Why Buy from Us The majority of commercial-scope systems are grid-tie which means that you retain the connection to the grid when you add solar. Your appliances use solar energy all the time so that your bills decrease significantly. You can even sell extra energy into the grid for credits from the utility if the net metering policy of the state allows you to do so. See more on [a1solarstore](#)
