# After-sales service for 20-foot photovoltaic containers in Chile

## Overview

---

Yes, we offer comprehensive after-sales support including remote monitoring, maintenance services and technical support. Our mobile photovoltaic containers come with a warranty and optional service packages to ensure optimal performance throughout their lifespan. It provides 80 tons of water per day to 3,000 individuals, ensuring a good supply of clean water. Whether you need a 40-foot container moved to one of the many Chilean ports, or require door-to-door shipping of a 20-foot container, we simplify your logistics by combining ocean freight carriage with domestic road freight services. Imagine two dozen 40-foot containers arriving at the Port of Valparaíso. This system is realized through the unique combination of innovative and advanced container.
