

PEES Power Systems

Battery life stockholm

Overview

The event takes place November 11-12, 2026, at Stockholmsmässan. These activities reflect investments in Sweden's battery sector. By exploring key factors such as. Batteries are a key technology for electrification and play an important role in future energy supply. Often, we only realize their importance when they fail - sometimes with critical consequences - which is why proper testing, responsible use, second-life decisions, and safe disposal matter. Stockholm will be the site of Battery Innovation Days in November 2026.

Battery life stockholm

THE SWEDISH BATTERY INDUSTRY OVERVIEW
