

## PEES Power Systems

# Cambodia solar container battery wholesale solar container price

## Overview

---

Recent pricing trends show standard industrial systems (1-2MWh) starting at \$330,000 and large-scale systems (3-6MWh) from \$600,000, with volume discounts available for enterprise orders. This has resulted in the emergence of numerous solar wholesale hubs across the country, facilitating easier access to solar products and services for local businesses and consumers. Technological advancements are dramatically improving solar storage container performance while reducing costs. We have sold thousands of batteries to individual customers and telecom companies throughout Cambodia. Khmer Solar is a regional distributor for Narada Power Source, the third largest energy. A revolutionary design and manufacturer company for Rural Solar Solutions, with unique concepts, solar water pumps, solar roof top systems and solar parks.
