

Overview

Expert support & wholesale pricing from Solar Electric Supply. Our Newest 3D Interactive Experience is Here! Get a detailed look at the newest addition to our growing family of 3-phase string inverters! Market leading solutions from a tough company you can count on. Our commitment is absolute customer focus for the life of the project. Best in class cost. Chint Power Systems (CPS) is a global leader in smart energy solutions, specializing in reliable and efficient photovoltaic inverters. Known for their advanced technology and commitment to sustainability, Chint Power delivers scalable solutions for residential, commercial, and utility-scale solar. Solar Electric Supply proudly distributes the Chint Power Systems commercial inverter lineup, delivering proven performance across a comprehensive range from 25kW to 100kW three-phase systems. High efficiencies, wide operating voltages, broad temperature ranges. Chint solar inverters are vital parts in a solar energy system that work by changing the direct current or DC power produced by solar panels into alternating current or AC power, which can be used by electrical appliances or put back into the power grid.

Chint PV grid-connected inverter price

Chint Power , Grid Tied PV Inverters

Chint Power provides string inverters for the commercial solar PV rooftop market as well as central inverters

Chint Power Grid-Tie Solar Inverters

Known for their advanced technology and commitment to sustainability, Chint Power delivers scalable solutions for residential, commercial, and utility-scale solar projects. With a focus on innovation and ...

Chint Power Systems

...

350kW, 1500Vdc String

Inverter

The 350kW high power CPS three-phase string inverters are designed for ground-mount applications. The units are high performance, advanced and reliable inverters designed specifically for the North ...

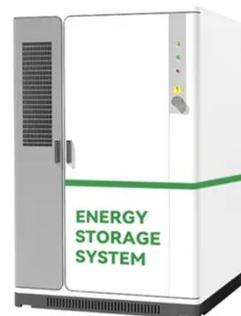

Chint Solar Inverters

Also called a grid-tied inverter, this device is used with a photovoltaic system that is connected to the electric power grid. The job of the inverter is to adjust the current from the solar panels to match the ...

Chint Power Systems > 50,000 Watt 480 VAC 3-Phase Grid-Tie Inverter ...

Chint Power Systems 50,000 Watt 480 VAC 3-Phase Grid-Tie Inverter for Commercial Applications with Standard Wire-box - SCA50KTL-DO/US-480 o EcoDirect , Call Us! 760-597-0498

Chint Power Systems Commercial String Inverters 25kW-100kW

Chint Power Systems commercial string inverters from 25kW to 100kW. 3-phase 208V/480V, up to 98.9% efficiency. Expert support & wholesale pricing from Solar Electric Supply.

Chint Power CPS SCA30kW Commercial Photovoltaic Grid

...

Low investment: The three-string inverter series is not only capable of providing optional DC switch, integrated DC combiner box, standard secondary lightning protection, optional string detection board ...

CPS Inverters
