### Dakar energy storage project

At an anticipated size of 40 MW, which will provide 175 MWh of energy, the battery energy storage system (BESS) will be one of the largest of its kind in the West African region.

### Dakar lithium battery cabinet manufacturer

With innovative fan cooling technology, our lithium ion battery storage cabinets ensure stable battery performance under heavy loads, improve efficiency, and extend service life.

### Dakar Energy Storage Power Station Space

Ideal for mobile energy demands and emergency scenarios, these compact solar power stations integrate

photovoltaic modules, battery storage, and inverter technology into one transportable
