# Emergency rescue outdoor telecom cabinet ac product warranty

## Overview

---

Industry-Leading Warranty: Backed by a 15-year warranty for long-term confidence. The OD Series, including the WOD-62DXC, is purpose-built for NEMA 4X applications, offering superior protection against corrosion, dust, and water ingress. When your network infrastructure demands reliable outdoor protection, American Products delivers weatherproof telecom enclosures engineered for performance and built to last. Designed to protect your equipment from rain, dust, and extreme temperatures, our waterproof and customizable solutions ensure reliability in any environment. The sandwich-structured deep outdoor cabinets, with up to 4-Point locking on the front and rear door and an AC 110V power supply, 300-1500W heater air conditioner. The WOD-62DXC NEMA enclosure (63"H x 32"W x 30"D, 33 RU) is a heavy-duty, all-weather solution designed for telecom and mission critical applications. Built from AlumiFlex®, a lightweight yet durable material, it provides steel-like strength to support the heaviest equipment. Available in NEMA 3R. Purcell Systems' solutions specifically address operators and service providers' needs for durable equipment enclosures, modular cabinets, advanced surge protection technology, optimal battery backup enclosures, superior power management, and complete climate control cabinets, for equipment. Explore AZE's premium NEMA-rated and weatherproof enclosures designed for telecom, industrial electrical, and energy storage applications.
