

## PEES Power Systems

# Gabon Small Home Solar Light

## Overview

---

Installed in areas without conventional streetlights ie connected to the electricity grid, these stand-alone lamp posts provide more security in the streets and allow residents to stay outdoors after dark, prolonging daily activities. and developing the social bond. This project aims not only to reduce the rate of insecurity in the hinterland, but also to boost commercial and. Gabon is one of the most prosperous countries in Africa, thanks to its oil resources, but it's also one of the most unequal in terms of access to energy. The country's power grid is largely limited to the major cities like Libreville and isn't developed or powerful enough to allow public lighting. As part of Gabon's 2018 priority measures, 3,000 of our TEKK S Combi Top 3 solar streetlights were delivered to be installed in Libreville but also in the hinterland, in Port-Gentil, Ndjolé, Franceville, Makokou and Bitam. You can contact us by email at [sales@machinesequipments.com](mailto:sales@machinesequipments.com) for reliable Solar Lights supplier, we are well-known for our world-class Solar Lights. As for solar lighting products in Africa, where we can find reliable and sustainable solar lighting products exporter, Ella Gulf is one of the best solar light exporter in Dubai to Congo, Gabon and Mali.
