

PEES Power Systems

Haizhou photovoltaic panel manufacturer address

✓ TELECOM CABINET

✓ BRAND NEW ORIGINAL

✓ HIGH-EFFICIENCY

Overview

The TCL solar photovoltaic panel factory is located in Huizhou, Guangdong province, China. This region was strategically selected for several reasons. Firstly, its established industrial infrastructure supports manufacturing and logistics, ensuring efficiency in operations. SUNRAIN Group, founded in 1999, is a globalized clean energy thermal utilization company and one of the top 500 new energy enterprises in the world. As the world's leading producer, China commands over 95% of the global market for key components such as polysilicon, ingots, and. As one of leading solar panel suppliers in China, the Sunrise module solar products currently mainly include the development, production installation, and sales of sunrise pv modules, as well as the construction management, technology development and operation, and maintenance of photovoltaic power.
