

PEES Power Systems

High cube energy storage systems

Overview

Suitable for commercial, industrial, and utility-scale projects, both behind- or front-of-the-meter, it's a truly “plug-and-power” solution with integrated battery modules, Battery Management System (BMS), and enclosure that can be installed, run, and maintained at low cost and high speed. New-generation liquid-cooling outdoor energy storage cabinet suitable for energy storage, which features built-in safety and a long lifespan. Besides, as a battery storage cabinet with a maximum energy efficiency of up to 91%, the product ensures a reliable power supply for different C&I energy. The flagship model offers a powerful 150kW PV array and 430kWh of energy storage. Built in a 40ft High Cube foldable container, this all-in-one portable system is tailored for long-term off-grid operations requiring ultra-high capacity and energy security. The Pylontech Powercube-M1 (736V 148AH) in the new Powercube-M 32-736V. As one of China's Top 3 C&I storage suppliers and a BloombergNEF Tier 1 manufacturer, Hoenergy delivers advanced, intelligent systems that cut costs, boost efficiency, and support carbon neutrality. Integrated photovoltaic-storage products utilize liquid cooling technology, with externally mounted.

High cube energy storage systems

Full Power Energy Storage Systems Products

Hoenergy has created a full-stack self-developed energy storage systems product with 3S integration and D-Galaxy cloud platform as the core, providing a full-link one-stop energy storage solution of ...

Solar Energy for Homes, Businesses & Industry

Highjoule provides advanced BESS solutions for C& I applications, including energy storage cabinets (30kWh-1MWh), containerized systems (1MWh-30MWh+), and fully customized solutions.

Energy Storage Products High and Low Voltage Batteries Hoenergy

Hoenergy offers high voltage battery packs low voltage battery systems wall mounted lithium batteries and ESS cabinet solutions for reliable energy storage

Pylontech PowerCube-M1 High Voltage Energy Storage System

In addition to its wide deployed residential ESS Phantom series, Pylontech is proud to announce this new Powercube series of high voltage energy storage systems, designed to serve commercial and ...

HyperCubeC&I , C&I Outdoor Battery Cabinet , 232.96kWh-HyperStrong

Besides, as a battery storage cabinet with a maximum energy efficiency of up to 91%, the product ensures a reliable power supply for different C&I energy storage applications.

Safe, simple, scalable energy storage technology and systems , Fluence

Fluence offers an integrated ecosystem of products, services, and digital applications across a range of energy storage and renewable use cases. Our standardized Technology Stack makes it easier for ...

Nominal Capacity
280Ah
Nominal Energy
50kW/100kWh
IP Grade
IP54

430KWh Portable Foldable PV

Energy Storage Unit (40ft High Cube)

The flagship model offers a powerful 150kW PV array and 430kWh of energy storage. Built in a 40ft High Cube foldable container, this all-in-one portable system is tailored for long-term off-grid operations ...

Containerized Energy Storage System

We're excited to present our innovative containerized energy storage system, the C& I-EnerCube, designed to revolutionize high-capacity industrial battery storage for commercial and industrial (C& I) ...
