MET flips the switch on Hungary's biggest battery project

With a nominal output of 40 MW and a storage capacity of 80 MWh, the facility marks the latest in a series of energy storage investments by MET Group across Europe.

MET Group activates the largest BESS system in Hungary

The Swiss company MET Group has taken a key step in its decarbonization strategy with the commissioning of the largest battery energy storage system in Hungary.

Hungary powers up largest battery storage system near Budapest

Hungary has just switched on its largest battery energy storage system (BESS) to date, stepping up its role in Central Europe's growing grid-scale energy transition.

Huawei Budapest Industrial Energy Storage Products

Huawei's intelligent lithium battery solutions provide dynamic peak shifting, transforming traditional backup power systems into efficient energy storage solutions that enhance system flexibility and ...

Officials unveil game-changing facility that could transform power grid

The MET Duna energy storage unit consists of 48 battery containers and 240 inverters that were manufactured by Huawei Technologies. It received over \$11 million in state funding to build ...

MET Group Inaugurates Hungary's Largest BESS Facility

The current storage capacity of all BESS units on site would be sufficient to supply the entire decorative and public lighting needs of Budapest for 4 hours. The supplier of the equipment is ...

MET Group inaugurates largest battery energy storage facility

- LiFePO₄
- Wide temp: -20°C to 55°C
- Easy to expand
- Floor mount&wall mount
- Intelligent BMS
- Cycle Life:≥6000
- Warranty :10 years

in

Together, the facilities have enough capacity to power all decorative and public lighting in Budapest for four hours. The project was delivered with equipment supplied by Huawei Technologies ...

GoldenPeaks-Huawei 500MWh grid-forming battery storage deal

A significant expansion of grid-forming battery storage infrastructure is underway in Central and Eastern Europe, following a new agreement between GoldenPeaks Capital and Huawei.

Hungary's greatest solar energy project is underway with Chinese Huawei

Hungary's largest energy storage facility is currently under construction near Szolnok, with Chinese company Huawei involved in the solar energy project. The contract was signed in ...

MET Group inaugurates largest BESS in Hungary

The 2-hour battery energy storage system (BESS) is the largest in Hungary, Switzerland-headquartered MET Group said, deployed at its Dunamenti thermal power plant in Százhalombatta, ...
