Is it illegal to smash photovoltaic panels

Overview

There is no definitive answer to this question since solar panel laws vary from state to state. Most states have solar access laws that forbid any agreement, covenant, condition, bylaw, or contract that outlaws or limits solar installations by Homeowners Associations (HOA). Solar panel conflicts typically involve disputes between homeowners, neighbors, and HOAs over aesthetics, shading, and installation restrictions in residential communities. As solar panels become more common, disputes between neighbors can arise. A homeowner's right to install solar panels is not absolute and can be. Is a solar panel a solid waste when a generator reuses or repairs it or when they send it for evaluation for reuse or repair?
