PEES Power Systems

Kingston outdoor telecom cabinet utility-scale for the food service industry

SOLAR INVERTER
Pure Sine Wave Inverter With Solar

Overview

Our outdoor telecom cabinets ensure a good fit and perform well in the field. With features like weather resistance, dust protection, and vandalism resistance, the cabinet offers enhanced thermal management, high structural integrity, and is flexible for customization. KDST delivers safer, smarter, and more efficient outdoor cabinet solutions, engineered to protect sensitive equipment in any environment. We design and manufacture high-quality custom enclosures, while providing professional assembly, system integration, and tailored support services for telecom. Since 1989, we've manufactured outdoor telecom cabinets in America's Heartland, providing telecommunications companies, utilities, and network operators with BABA-compliant solutions that protect critical equipment from the harshest environmental conditions.
