

PEES Power Systems

Kyrgyzstan outdoor solar container system manufacturer

Overview

Our core team brings 15+ years in renewables and container manufacturing. From system design to factory testing, we size and deliver SolaraBox Mobile Solar Containers that meet site needs reliably and on schedule. That is why we have developed a mobile photovoltaic system with the aim of achieving maximum use of solar energy while at the same time being compact in design, easy to transport and quick to set up. This system is realized through the unique combination of innovative and advanced container. The solar energy project aligns with Kyrgyzstan's Energy Sector Development Strategy, which aims to develop 1,500 MW of renewable energy by 2035. We provide operation and maintenance services (O&M) for solar photovoltaic plants.
