Lisbon energy transition

Overview

Portugal is setting the pace of the global energy transition, and Lisbon sits at its centre. Every two years, industry experts from around the world gather at the Feira Internacional de Lisboa. Endorsed by the Ministry of Environment and Energy, the Lisbon Energy Summit & Exhibition 2026, the Iberian region's leading energy transition event, will welcome over 2,000 visitors to Lisbon, Portugal, a world leader in new energies and technological innovation, on 24-25 March 2026. Lisbon is where ideas turn into action.
