

## PEES Power Systems

# Mobile photovoltaic storage cabine vehicle procurement by the government

## Overview

---

This document has been published with the support of Andy Walker, Otto VanGeet, Tom Harris and Chandra Shah of the National Renewable Energy Laboratory (NREL). Procuring electric vehicle supply equipment (EVSE) and components of zero emission vehicles (ZEVs) as load-management or energy-saving energy conservation measures (ECMs) through performance contracts would simultaneously increase the penetration of EVSE and ZEVs in the federal fleet portfolio and. GSA is the mandatory source for federal agencies to purchase any new non-tactical vehicles 41 CFR 101-26. Other eligible users can also purchase vehicles from GSA. A working understanding of contract development best practices and access to standardized solar contract templates and request for proposals (RFPs) will help reduce the time and cost associated with this process by improving project transparency and accountability while accelerating solar. Register your entity or get a Unique Entity ID to get started doing business with the federal government. gov) on Februas part of the ongoing effort to modernize our. OGS Procurement Services is the state's centralized procurement office. Hodge, Cabell, Bhavesh Rathod, Matt Shmigelsky, Mark Singer, Eliseo Esparza, Tom Myers, Anuj Sanghvi, Ranjit R. Desai, Bill Becker, Haider Niaz, Tony Markel, and Joseph Bougard.
