Modular Waterproof Battery Cabinet Manufacturer

Overview

APX Enclosures provides a solution with our line of custom outdoor battery, solar battery bank and metal generator enclosures. HindlePower's Battery Cabinet is designed to maximize DC system performance and battery life, saving YOU time and money. The EPIC series battery cabinet offers a NEMA 3R and NEMA 1 modular design, with built in intelligence, will safely house any combination of batteries, chargers, DC distribution. At APX Enclosures, we can design and fabricate an enclosure to meet your required footprint.

Additionally, we can design and manufacture standard or custom rack configurations based on the items that will be installed the enclosure. We have extensive manufacturing experience covering services such as battery enclosures, grid energy storage systems, server cabinets and other sheet metal enclosure OEM services. Our capabilities include: laser cutting, CNC forming, precision welding, powder coating, screen. Most industrial off-grid solar power systems, such as those used in the oil & gas patch and in traffic control systems, use a battery or multiple batteries that need a place to live, sheltered from the elements and kept dry and secure.
