Overview

EcoDirect offers battery boxes, racks and enclosures for off-grid energy storage applications in solar PV systems. These products support the most common battery types. Order Online or Call Us!. Most industrial off-grid solar power systems, such as those used in the oil & gas patch and in traffic control systems, use a battery or multiple batteries that need a place to live, sheltered from the elements and kept dry and secure. This place is called a "battery enclosure", or what is. Keep your solar battery bank protected, organized, and ready for action with the EG4 BossBox Energy Storage Enclosure. Designed to house up to 8 EG4 LifePower4 or EG4 Wallmount AllWeather batteries, this rugged, weather-resistant cabinet is the perfect solution for securing your off-grid or hybrid. Check each product page for other buying options. Order Online or Call Us! 888-899-3509 .
