Outdoor Communication Cabinet 1000V Manufacturer

Overview

We specialize in high-precision, weatherproof outdoor communication cabinets engineered for extreme conditions. We design and manufacture high-quality custom enclosures, while providing professional assembly, system integration, and tailored support services for telecom. When your network infrastructure demands reliable outdoor protection, American Products delivers weatherproof telecom enclosures engineered for performance and built to last. Additionally, we can design and manufacture standard or custom rack configurations based on the items that will be installed the enclosure. For any necessary certifications, APX will support and fulfill. AZE is an OEM NEMA type or IP rated Outdoor Enclosure Manufacturer, our products are designed for Harsh Outdoor Environments, AZE provides a large variety of standard sizes from 16" to 90" high and from 25" to 42" deep with adjustable and reversible EIA 19" or 23" racking rails, front and rear doors. KDM outdoor telecom enclosure protects your telecommunications equipment outdoors and will be able to properly withstand outdoor elements such as temperature, extremes, dust ingress, ice, shock hazards, and UV damage.

Outdoor Communication Cabinet 1000V Manufacturer
