

PEES Power Systems

Photovoltaic support companies in East China

Overview

Explore the updated 2026 list of China's top 10 solar companies, including leading PV manufacturers like JinkoSolar and specialists like Grace Solar. Learn about their market focus and key strengths. Simultaneously, specialized companies in critical ecosystem roles—such as solar mounting and tracking systems, energy storage, and project development—are gaining prominence by enhancing the efficiency and bankability of solar projects worldwide. This list moves beyond pure module shipment volume. PVTIME - On 15 September, the China Enterprise Confederation and the China Enterprise Directors Association unveiled the '2025 China Top 500 Enterprises' list. Companies were eligible for inclusion based on their operating revenues in 2024. The company, SOFAR, is a provider of comprehensive solar PV and energy storage solutions, emphasizing its commitment to digital energy innovations. LONGi Green Energy Technology Co. 294 installers based in China are listed below.
