

PEES Power Systems

Photovoltaic support service company

Overview

We are a full-service solar company and our team of experts in the field can help guide you through any project, no matter how big or small. As a residential homeowner, small business, not-for-profit, or local government, you're eligible for NY-Sun incentives when you work with a participating contractor. Your contractor will: Participating contractors are all vetted by NYSERDA. However, contractors can also earn a NYSERDA Quality Solar. Reliable and renewable energy from the leading experts in photovoltaic, and NYC solar panels installation, Solar Mentor remains committed to providing only the finest and highest quality solar energy for businesses and homeowners. At Solar Mentor, Our goal is to provide sustainable energy. We are a local company with offices across Long Island and New York City. Since our entire team is locally-based, friends and neighbors will design, install, and service your custom solar system. Going solar doesn't have to be confusing. We have the expertise to make them happen.
