

**PEES Power Systems**

# **Pickup Solar Power Generation System**

## Overview

---

Brief Answer: A solar generator cannot power an entire truck engine, but it can easily run essential truck appliances, such as cabin lights, refrigerators, cooking appliances, and more. Enjoy a weekend off grid with this complete solar kit for your RV. It's not worth investing in MPPT. Workspport completes final stage of execution with launch, adding new, larger revenue stream opportunities and broader global markets for solar power generation and energy storage. West Seneca, New York-- (Newsfile Corp.
