Powerhouse lithium reviews

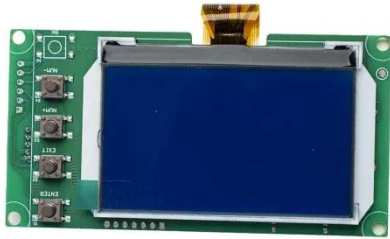

Overview

Venturing into the world of Lithium Batteries to power my Bass Boat electronics, here is the journey of installing a 16v Power House Lithium w/ Run & Gun Cha. I also replaced my Dual Pro with a MK 330 PCL. My main reason for converting to lithium's were warranty and longevity 1 st, no maintenance, ability to. I've learned you can buy well made LiFePo batteries at very reasonable prices. How the cells and inner components are assembled can be a big determining factor as far as trouble free performance. Yup that's how much I had called him. 16v 80ah Lithium Battery - more Is MEGA 360 Effective on Single 10" Helix?

(Install & Review). An all-new kit perfect for rod locker installation on a boat, inside of a kayak, or small vessel, the Powerhouse Lithium 16V FFS Kit is the perfect solution for clean and dedicated power to run your forward-facing sonar devices. Designed to enhance signal strength and returns for 20% better.
