

PEES Power Systems

Singapore s largest energy storage project

Overview

Singapore, Febru- Sembcorp Industries (Sembcorp) and the Energy Market Authority (EMA) today officially opened the Sembcorp Energy Storage System (ESS). The Sembcorp ESS is Southeast Asia's largest ESS and spans across two hectares of land in the Banyan and Sakra region. Singapore has surpassed its 2025 energy storage deployment target three years early, with the official opening of the biggest battery storage project in Southeast Asia. The utility-scale ESS was commissioned in six months and commenced operations in December 2022. The 200MW fleets of container-like batteries can power the daily electricity.
