

PEES Power Systems

Solar inverter franchise company

Overview

If you're considering entering this market, a solar panel business franchise is a smart way to start with lower risk and higher support. This blog will guide you through how to get a franchise in the solar panel business. In a franchise, the franchisor provides franchisees with initial and ongoing training, marketing. Recent studies show that solar is breaking records and growing more than ever. Solar accounted for more than 60% of all new electric generating capacity added to the grid in 2024—more than any other energy source and the highest share in Solar's history. It's worked for others, and it can work for you too. © 2025. Ready to Lead the Solar Revolution with Solar Grids®?

Are you ready to take charge of your future and join the largest and fastest-growing solar franchisor with 80+ territories in North America?

Solar Grids® has merged with Stardust Solar and is now publicly traded (SUN). This is your opportunity.
