

PEES Power Systems

Solar module profile manufacturers

Overview

A wide range of standard aluminum profiles for solar panels. Our steel profiles are renown for consistently displaying the tightest tolerances around straightness, twist and camber. Combined with optimal material selection and the highest corrosion resistance, Welser profiles offer the optimum solution for utility scale solar, PV and environmental systems. The frame is one of the auxiliary materials used in photovoltaic modules, enhancing the strength of the modules and facilitating their installation and transportation. We actively contribute to design, processing and assembly, ensuring that customers receive a ready-to-use product. This sets us apart from many other. Aluminum Furniture Profile, Al Profile, Aluminium Profile manufacturer / supplier in China, offering 6000 Series Aluminum Extrusion Profile for Furniture, Sand-Blasted Anodised Aluminum Extrusion Profile for LED Lamps, Factory Price Aluminium Extruded Profiles 6063t5 in Anodised and so on. These profiles are specifically engineered to withstand harsh environmental conditions while providing the necessary framework for solar panels to harness. Targray's portfolio of aluminum solar panel frames is a trusted source for PV module manufacturers seeking superior mold sophistication at a competitive price.

Solar module profile manufacturers

Custom Solar Panel Extrusions , Aluminum Profiles Manufacturer

Power up your solar projects with custom solar panel aluminum extrusions that are precise, durable and engineered to fit your design. Solar panel aluminum extrusion is the custom aluminum profile you use ...

Aluminum profiles for solar panels

Our best-selling PV mounting profiles and accessories offer versatile, high-quality solutions for securing solar panels on rooftops.

Aluminum Solar Panel Frames and Mounting Brackets , Photovoltaic

Explore high-quality photovoltaic aluminum profiles for solar panel frames and mounting systems. Durable, customizable, and built for efficiency. Shengxin Aluminium - trusted by global solar projects.

Aluminium profiles for solar panels , BOAL Extrusion

They provide a stable and durable foundation for solar panels, regardless of the surface or structure. Thanks to custom designs and smart engineering, our profiles are suitable for a wide range of ...

Aluminum Profiles for Solar Panels

A wide range of standard aluminum profiles for solar panels. Work with us and our aluminum solar frame manufacturers in India for your custom shapes.

Solar Panel Frames for PV Module Manufacturers , Targray

Delivering superior mold sophistication at a competitive price, our aluminum solar panel frames are a trusted source for PV module manufacturers worldwide.

High-Quality Solar Module Frames Manufacturer , Alumetrik

Engineered for durability and precision, our solar module frames offer exceptional support, meeting the highest standards with advanced manufacturing technology.

Top 10 List of Solar PV Module Manufacturers in 2025

Many solar module companies have established manufacturing and R& D units for solar panel manufacturing and solar PV tech improvements as a part of the mission solar energy. Harnessing ...

Aluminium Solar Panel Frame Profile

Pailian Aluminium has focused on top quality extruded aluminium profiles for over 31 years in China. We are specialize in Aluminium extrusions aluminium solar panel frame profile and Aluminium CNC ...

PV , Solar mounting system profiles , Welser Profile

Our custom steel profiles are proven in

the utility scale photovoltaic industry as well as in solar thermal power plants; used as support or frame profiles, posts, rafters, module carriers and much more.
