

PEES Power Systems

Wellington grid-connected solar panel manufacturer

Overview

We are a family owned and operated business. Our company provides top quality solar power and electrical installation's at affordable prices. Trilect is a trusted leader in solar solutions across New Zealand—now proudly serving the Wellington region as well. From powering homes with small-scale residential systems to delivering large-scale solar farms, the Trilect Wellington solar team brings proven expertise and innovation to projects. He has a really great way of breaking down the complex and exploring multiple options for solar and your lifestyle. 100% Kiwi owned, Taspac was founded in 2014 with a very simple goal - to provide best-in-class renewable energy solutions to New Zealand solar installers and electricians, backed up with a high level of local sales. We supply and install solar power panels in grid connected or stand alone systems. It is a better investment to get power from your own. At ZEN Energy, we help Wellington homes and businesses harness the power of solar energy, creating a brighter, more sustainable future.
